

RECENT SOLOIST AND CHORAL CD RELEASES FROM TRADITIONAL CHOIRS IN CATHEDRALS, COLLEGES, Etc.

With most branches of HMV now closed, and those that remain offering almost no UK cathedral-choir CDs, one has to rely on **amazon.co.uk** as a major source for new releases. Luckily, Amazon also offer within their lists the same titles from other supported sellers, so Amazon's own price for a particular CD is very often not the lowest price at which it is available on their website. In the list below, the range of Amazon prices for new factory-sealed CDs is given. Note that prices are subject to change without notice and that postage is extra (unless stated otherwise), and depends on the postal-service required and the destination to which the CD is to be sent.

CD RELEASES FEATURING TREBLE SOLOISTS

Too few CDs are released that showcase the voices of individual boy trebles, but the past months have been a welcome exception to this, with three new CDs becoming available through **amazon.co.uk**

CD: **Lleisiau Bechgyn Cymru - Welsh Boy Trebles**

-- sung by **Boy Trebles** (20 tracks)

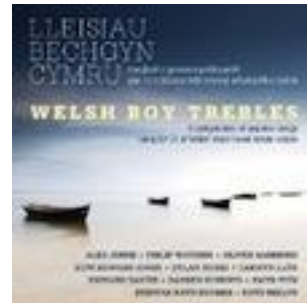

-- music by J.S. Bach, Davey Davies, Cesar Franck,
Guiseppe Giordani, Howard Goodall, Franz Gruber,
Alan Murray, Franz Schubert, Andrew Lloyd Webber, etc.

Featuring Welsh boy trebles Richard Davies, Dylan Eurig,
Steffan Rhys Hughes, Aled Jones, Huw Edward Jones, Carwyn Llyr,
Rhys Meilyr, Darren Roberts, Oliver Sammons, Philip Watkins and
Emyr Wyn.

Label: Sain SCD 2697. Released 08-13.

Amazon £6.48 to £13.28

These are not new compositions sung by new soloists, and all were available very many years ago on cassette-tapes (or, for Aled Jones, on early CDs). However, to have such a large number of treble voices all brought together on one disc is a marvelous treat. For one thing, it highlights the huge range and variety of boys' voices -- although all classified as "treble" -- and for another it shows wherein lie the roots that can flower into world-famous adult Welsh male-voice choirs!

CD: **Moray West – Scotland Boy**

-- sung by **Boy Treble** (16 tracks)

-- music by J.S.Bach, Thomas Davey, Howard Goodall,
G.F. Handel, Rolf Lovland, Felix Mendelssohn, W.A. Mozart,
Henry Purcell, etc.

Featuring Scottish boy treble Moray West (who received a platinum disc
at age 11 as part of the group Angelis).

Label: Scotdisc CDITV 824. Released 04-13.

Amazon £5.87 to £11.18

Absolutely stunning! An exceptionally pure treble voice at the peak of
perfection. Moray's performance of *Queen of the Night* (from Mozart's "Magic Flute") and *Laudate
Dominum* (also Mozart) are breathtaking. His control, clarity of tone, and 3-octave range allow him to
confidently handle all types of sacred and secular vocal styles, as is shown by the compassion and feeling
he puts into a specially-commissioned ballad, *Miss You*, as well as into Bach's *Bist du Bei Mir* and
Handel's *Ombra Mai Fu*. Accompaniment varies from orchestra to bagpipes, from choir to harpsichord, but
it is Moray's glorious voice that holds one totally spellbound. Whether your preference is for popular,
classical or Scots music, this disc offers total perfection.

CD: Die Chorjungen (von den Augsburger Domsingknaben)

-- sung by **Boy Trebles** (14 tracks)

-- music by: Gregorio Allegri, J.S.Bach, Eric Clapton, Howard Goodall, Rolf Lovland, Reinhard Mey, Johann Strauss, Andrew Lloyd Webber, etc. Featuring Ian Enderle (age 13), Nicolas Schwandner (age 13) and Georg Starz (age 14), three German treble soloists from the Augsburger Domsingknaben choir.

Label: Deutsche 4792782 GH. Released 05-14.

Amazon (Import) £9.79 to £15.17

The Augsburger Domsingknaben is one of Germany's most renowned man/boy choirs, and traces its roots back to 1439. Based at the choir school of St. Mary's Cathedral in Augsburg (Bavaria), up to 350 boys aged from 7 to 14 are taught individually and in groups, with special emphasis on encouraging treble soloists. Which explains the outstanding performances offered by these three young vocalists, who lift examples of the treble repertoire, sung in German, into another realm. So one listens with delight and awe to their fresh interpretations of *Tears in Heaven*, *Ave Maria*, *Pie Jesu*, *Morning has broken*, and Allegri's *Miserere*, as well as to *Ein schoner tag* (Amazing Grace), *Uber den wolken*, and *Raise me up*. It's a huge plus that this release is now available from Amazon's UK site, and can therefore be purchased easily, and paid for in £sterling.

CD RELEASES FEATURING CHOIRS

This list includes a selection of CD releases by traditional man/boy cathedral and college choirs (and some all-boy choirs) that have appeared since June 2013.

However, it is possible that a CD may have been overlooked, so if in the coming weeks you come across, or hear about, any other new CDs by man/boy choirs, please let the CTCC know, so that we can keep our Members up-to-date with what is available.

OVERSEAS RELEASES

In an interesting development for UK customers, **amazon.co.uk** now offers many more CDs from overseas sources. So instead of trying to translate Amazon's overseas websites, some discs which may interest CTCC Members are now available on the British Amazon website, where they are described in English, can be ordered from a British address and (very important) are priced in Pounds Sterling.

The following list highlights a small selection of the best recent choral man-boy CDs recorded overseas, but now available within the UK. Please note that all prices are subject to change without notice, and that postage charges are extra.
